

MavRik wood

MavRik™ tools feature forged, solid-shank, high-carbon steel blades. Heavy-duty, dual-riveted tab sockets add strength at the head-to-handle connection. A durable hammertone blade finish and coated hardwood handles complete the construction on these contractor-grade tools.

Solid-shank construction reinforces the blade and prevents soil build-up.

Order No.	Description	Handle	D Grip	Blade Size	Pack	Pack Wt.	Repair Handle
